

Your path to predictable

Pave the way for a more efficient, precise, and insightful approach to dental scanning

The brain of an i700 with a splash of color

Smooth: optimal imaging speed delivers a steady scan experience

Vivid: transmits high definition scan data via the new optical system used in the Medit i700

Accurate: premium camera components achieve clear and detailed scans

Versatile: smart performance handles intricate restorative work and full-arch scans

Medit i600 offers simplicity

Plug and Scan Directly plugs into a PC with a single cable

Medit Link Secure, cloud-based 3D data sharing platform that facilitates communication and collaboration with other dental partners

Compatible with numerous systems, including **RealGUIDE®***, for enhanced workflows.

*anticipated 2024

Medit Apps A wide range of features to support restorative outcomes:

- Scan and color filtering
- Margin line creation
- Ortho simulation
- Temporaries and crown fit
- A.I. scan body matching

Unleash your clinic's full potential
